Our Commitment to Your Child's Health

We commit to providing a safe and healthy food for your child.

Our menus have
- Foods kids like to eat.
- More whole grains.
- More fruits and vegetables and less processed juice with the fiber removed.
- Lower fat and saturated fat, less trans fat.
- Lower sodium.

33% of Maine kindergarten students are overweight or obese. We are committed to providing a food and physical activity environment that keeps your child healthy by preventing obesity and the development of chronic diseases.
