Subject: OVW Disability Grant Program New Reporting Form

Dear Disability Grant Program Grantees,

I am writing to notify all Disabilities grantees that the revised semi-annual progress report form for the Disabilities program are available on the Grants Management System (GMS) for the January 1, 2009 – June 2009 reporting period.

All grantees must submit their January 1 through June 30, 2009 progress reports on GMS no later than 30 days after the reporting period.

If you have any questions about this reporting requirement, please contact your OVW program specialist. If you need technical assistance regarding how to answer specific questions on the form, please contact the Muskie School's staff at vawamei@usm.maine.edu <<mailto:vawamei@usm.maine.edu>> or call their technical assistance line at 1-800-922-VAWA (8292). Please remember that any questions about the GMS system should be directed to 1-888-549-9901.

Please see the dates below for the Muskie School's progress report form trainings available by grant program. The form is vastly different from what you have been using, so I strongly encourage each of you to attend one of the calls. You may register directly at the Muskie webpage: <http://muskie.usm.maine.edu/vawamei/traincal.htm> <<http://muskie.usm.maine.edu/vawamei/traincal.htm>> . This webpage will be updated whenever there is a new training listed, so keep checking the site for updates.

Thank you again for your ongoing cooperation in this process of providing critical data to OVW and to Congress regarding the valuable work you are doing with VAWA funds.

Sincerely,

Amy
